

The ETAWA Teacher in Residence scholarship offers early career English teachers in regional and remote Western Australia the opportunity to come to Perth for one week to shadow teachers at two separate schools, and to engage with other metropolitan places to source support and resources.

ETAWA will cover the cost for Teacher relief, flights, accommodation, and food for the Teacher in Residence for five days.

The Teacher in Residence scholarship is offered twice per school year. The successful candidate is required to write an article for *Interpretations* about the experience as part of the scholarship.

Please fill in the below form and send it to etawa@casm.com.au.
